| <p>Morgan Front Corner Cap TL-Morgan-Cap-01-D - Driver side (road side) TL-Morgan-Cap-01-P - Passenger side (curb)</p> | <p>Supreme Front Corner Cap TL-Suprem-Cap-01-D - Driver side TL-Suprem -Cap-01-P - Passenger side</p> |
|  A photograph of a grey, curved plastic corner cap for a Morgan truck. It has a smooth, rounded top and a slightly recessed bottom edge. The cap is shown from a three-quarter perspective against a light-colored wooden floor. |  A photograph of a grey, curved plastic corner cap for a Supreme truck. It features a more pronounced, angular top edge compared to the Morgan cap. The cap is shown from a three-quarter perspective against a dark reddish-brown background. |
| <p>UtiliMaster Corner Cap TL-UtiliM-Cap-01-D -Driver side TL-UtiliM-Cap-01-P -Passenger side</p> | <p>US Body Corner Cap TL-UsBody-Cap-01-D -Driver side TL-UsBody-Cap-01-P -Passenger side</p> |
|  A photograph of a grey, curved plastic corner cap for a UtiliMaster truck. It has a similar design to the Morgan cap but with a slightly different curvature. The cap is shown from a three-quarter perspective against a light-colored wooden floor. |  A photograph of a grey, curved plastic corner cap for a US Body truck. It has a very angular, almost rectangular top edge. The cap is shown from a three-quarter perspective against a dark reddish-brown background. |
